Online Giving and Pic Monkey

Friday, August 29, 2014

PayPal and Square: When it comes to giving, churchgoers are increasingly asking for more options besides dropping a check or cash in the plate.

Pic Monkey: “PicMonkey is a free photo editor that works in your browser. Nothing to download or install. Fix your photos and add beautiful filter and text. Touch up facial features or create outstanding graphics. Ridiculously easy, staggeringly gorgeous” .

Using E-Mail to Enrich Ministry

Tuesday, September 9, 2014

Constant Contact: Improve your church communications. Learn how to easily create professional-looking emails.

Facebook

Monday, September 22, 2014

Facebook: Learn how to speak the language and promote the church. Create new friends and renew old friendships using this social networking site.

You Tube

Tuesday, October 21, 2014

You Tube: Learn how to use this social media to engage people and lead them to your Webpage and Facebook page.
