Is My Goal SMART?

Goal: _____

Objective: _____

Key Component	
Specific - What is the specific task? What do I want to accomplish? Who is involved? What are the benefits of accomplishing this goal?	
Measurable - What are the standards or parameters? How will I know when the goal is accomplished?	
Achievable - Is the task feasible? Do I believe I can achieve it? Is the goal too big? Not big enough?	
Realistic - Are sufficient resources available? Will the key people in my life support me in this effort? What makes the goal worthy of my time and efforts?	
Time-Bound - What are the start and end dates? How does this fit into my calendar? How might events in my job, family affect the completion date?
